Notice from the Administrator (Fred)

Due to the incompetence of British Telecom after damage to our overhead telephone cable we were without an internet connection for 5 weeks (late July - late August) a temporary fix eventually completed in little over an hour!

As a consequence of this loss of connection there has been a delay to the subscription renewal reminders that were due to be sent out via e-mail after publication of the Ekphrastic issue. These will now be e-mailed shortly but if you wish to check your subscription status or have any other queries regarding your subscription, please do [e-mail Fred](#).

Subscriptions can be renewed online at the [Agenda website](#). Alternatively you can call the *Agenda* office on 01825831994.

Once again, thanks to everyone for their continued support and do invite friends and family to take out subscriptions in order to enjoy poetry as the vital life-force that *Agenda* promotes.

Submissions

Whilst all effort is made to keep up with the constant flow of submissions the loss of our internet connection has obviously stopped any e-mail correspondence and created a larger than usual backlog. We will therefore be closing the [submission window](#) in the next few days.

Agenda Website

We are currently in the process of updating the [Agenda website](#) with new web building software, making changes etc, please do allow for a few small hiccups until we have completed the process. If you do have any problems or queries please do [e-mail Fred](#).
